FAQ's...

DREAMWORLD PARADE REQUIREMENTS

Is there a minimum & maximum number of dancers?

The minimum number of dancers is 12 dancers per studio. Should you fall under the minimum requirement your application will be assessed at the time of booking. The Parade event must have minimum 200 dancers & maximum 300 dancers to operate.

How long will the parade go for?

The parade duration will be approximately 20 minutes. The studio is required to rehearse and must be parade ready prior to the event. All dancers will be required to perform for the full 20 minute duration which may be subject to direct sun exposure.

Can we rehearse whilst on tour?

Yes - subject to hotel space availability and charges. There will be a group rehearsal on the morning of the event at Dreamworld.

Does the studio need to supply the costumes?

Yes - all studios are required to supply the dancers with colourful & professional costume. TP World Tours will provide recommendations within the information pack and all costumes will need to be approved by TP World Tours 30 days prior to event.

What information will we receive about the parade and when?

All participating studios will receive a link to the video of the parade choreography, parade music and an information pack featuring further tips, costume requirements and deadlines. This information will be provided approximately 90 days prior to the event.

QUOTING STAYCATIONS & BOOKING PROCESS

What is required to make a booking?

Each family is required to complete our online TP World Tours booking form via our website. The required non-refundable deposit is to be paid at the time of booking to secure their position on tour. Please note families are NOT required to purchase tickets via the trybooking website as tickets are included in your staycation package and will be invoiced to each family.

Who can join the tour?

Any family members and friends are welcome on tour. There is no maximum limit of travellers required per tour.

How long is a quote valid for?

We can honour a staycation quote up to 7 days - group deposits are required to confirm the quoted dance tour.

Who do the individual families pay?

Each family is required to pay TP World Tours directly via our online payment system. Our payment methods include direct deposit & credit card. Please see our payments tab on our website for complete details.

What are the rooming options?

Our tour costings are all based on Twin / Triple / Quad share rooming utilising existing bedding. Existing bedding is based on two double or queen sized beds per room depending on the hotel. Family room upgrades are available upon request.

What extensions are allowed?

Extensions are allowed after the dance tour. We can assist with extra travel arrangements including airfares, hotels, transfers, car hire & tours if required.

When can we travel?

Staycations are as per the set dates set by TPWT. Extensions can be arranged for after the Staycation tour if you wish to stay longer than the allocated set Staycation dates.

CANCELLATIONS & WET WEATHER

Why is the booking non-refundable?

TP World Tours is a service provider and service fees charged are vital to cover expenses occurred throughout the booking process including business utilities & wages. Our service fees are built into the package price. All service fees are non-refundable as the service of the booking would have already been supplied prior to the cancellation. We strongly recommend travel insurance.

What happens in Wet Weather?

In the event of severe weather affecting the parade, the event will either go ahead if there is a window of clear weather or if slightly raining the parade route may be adjusted or in the event of torrential rain the event will be rescheduled to an alternate date and all participants will be notified at that time. If your studio is unable to participate in the rescheduled parade, credit will be offered for the full parade only amount paid to utilise towards a future parade event.

"In 2017 we took a group of 58 people including our performance team and their families to Orlando, Florida. TP World organised this seamlessly for us from start to finish. From first contact with the TP team through the planning and personalising of our tour, working to keep our families happy and getting us to the USA we had an amazing experience. Our tour guide Jodi was totally committed to making sure we were always having a great experience whether it was our students performing or our families enjoying their down time. We are excited to have our next trip booked in for 2020 and would recommend to anyone wishing to do a dance tour To Call TP World Tours!"

Everything from the information to boarding the plane to coming home is super easy! Everything is so well organised and nothing is a hassle. Both Petrina and Jodi are very approachable, easy to deal with and very professional. They are a joy to be away with and the kids just love them! We would never book with anyone else!
